Mrs. Mary Morency, Pass Old-timer, Passes January 15

Mrs. Mary Reid Morency, long-time resident of Blairmore, passed away in the Crow's Nest Pass Municipal Hospital on Monday, January 15th, following a few months of ill health.

Mrs. Morency, 71 years of age, was born in Arbroath, Forfarshire, Scotland, on February 7th, 1890.

She came to Coleman with her parents, the late Mr. and Mrs. Alex Fyfe in 1905, and was married in Frank to Alexander Morency on December 10, 1910. The couple have resided in the Pass since, and last December 22nd, they celebrated their Golden Wedding anniversary, when a family reunion was held.

She was a faithful member of Crowview Rebekah Lodge of Blairmore, and was of the Presbyterian Faith. She was known for her wonderful spirit of hospitality to friends and relatives. Her friendly smile will be missed by many.

She was predeceased by a sister, Mrs. Dave Roberts of Coleman, in 1953.

Surviving are her husband Alex of Blairmore, three sons, Joe of Calgary, John of Grande Prairie, and Harold of Blairmore; two daughters, Mrs. James (Helen) Simpson of Blairmore, and Mrs. Joe (Mary) Jenkins of Vancouver, B.C.; ten grandchildren and five great grandchildren; two sisters, Mrs. Nettie Oliver of Blairmore, and Mrs. Mina Ford of Vancouver, B.C.

Crowview Rebekah Lodge held their fraternal service in Hall's Funeral Parlor on the evening of Wednesday, January 17th, a member of Victoria Rebekah Lodge members, Coleman, were in attendance.

Funeral services were held from the Blairmore United Church at 2 p.m. on January 19th with Rev. K. Iwasa officiating.

Hymns sung were "Safe In The Arms of Jesus", 23rd Psalm "The Lord is My Shepherd" and "Nearer My God To Thee" at the former request of the deceased.

Palbearers were Jack Patterson, Jr., Tom Williams, Jr., John Yanota, Jr., Alex Rae, Douglas Oliver and Johnnie Stewart.

Out of town relatives who attended the funeral were Mrs. M. Jenkins and Mrs. M. Ford from Vancouver, B.C.; Mr. and Mrs. Joe Morency and family, Kenny and Kathleen Oliver and Norman Ford of Calgary, and Mr. and Mrs. John Morency and Joan, Grande Prairie.

Coleman Cleaners and Tailors Damaged by Fire

Fire broke out about 10 a.m. on Tuesday, gutting the interior of Coleman Cleaners and Tailors. It is believed that it was started from an electric motor.

Mr. W. Filewich with the assistance of passers-by was able to save some of the garments in the building, smoke and water damage was extensive however which was partially covered by insurance.

Coleman Boy Injured in Car Accident

Jim Walker, 20-year-old Coleman youth, sustained painful injuries when he became involved in a head-on car collision about 10 miles west of Macleod around 9:45 a.m. on Sunday, January 21. The lad sustained fractured ribs, broken jaw, cuts and lacerations and the car he was driving was totally demolished as well as the other car.

It is stated that Jim was enroute to Fort Macleod to visit his mother, Mrs. L. Frayne, when the accident occurred. Jim has now been released from hospital.

It is not known how many persons were in the other vehicle, but it is reported that one of the persons in the other car was knocked unconscious and regained consciousness on Wednesday night.

All injured were taken to Fort Macleod by a passing Greyhound bus which stopped to render assistance. It is alleged that the accident was the result of drivers being blinded by flying snow.

Home and School Meet January 15

Coleman Home and School Association held its regular monthly meeting in the school on Monday, January 15th. It was attended by a good representation of parents and teachers.

The Association decided to hold an Art and Hobby display early spring to raise funds for the Home and School Association.

Mrs. Bessie Upton reported that the library was now functioning very satisfactorily but that more help would be appreciated by volunteers on Thursday evening between the library hours of 4:00 to 8:00 p.m.

Miss Joyce Matheson of Chinook Health Unit, was present at the meeting and reported that many local parents were purchasing fluoride tablets for their children on recommendation of their doctors.

Miss Matheson advised that if these tablets were purchased in bulk, cost would be considerably less and arrangements could be made to obtain these tablets through the Chinook Health Unit at cost. These tablets could be distributed through the school.

Mrs. Nora Goulding, school secretary, offered her services to collect for and distribute the pills to the purchasers. Mrs. Alice Montebelli also volunteered her help and the couple could arrange a day convenient for distribution.

Mr. Broda Singh, a local teacher, was guest speaker at the affair and gave an interesting talk on Education in India. A question period was held after Mr. Singh's talk when he ably answered the many questions of the parents present at the meeting.

The room attendance prize was awarded to Ted Kryczka's grade 10 class and to Mrs. Turon's grade five class. The meeting concluded after the hospitality committee served a lunch.

Victoria Rebekah Lodge Install Officers

Installation of officers took place at their last regular meeting, St. M. Coates, D.D.P., and staff, installed the following officers:

Junior Past Grand, Sister A. Sudworth; Noble Grand, Sister B. Phillips; P.N.G.: Vice-Grand, Sis. C. Horn, Financial Secretary, Sis. M. E. Cornett, P.N.G.; Treasurer, Sis. E. Richards, P.N.G.; Recording Secretary, Sis. B. Milley, P.N.G.; Warden, Sis. M. Holstead, P.N.G.; Conductor Sis. E. Ledieu; R.S.N.G. Sis. F. Kerr, P.N.G.; L.S.N.G. Sis. M. Fawcett, P.N.G.; Chaplain, Sis. M. Godfrey, R.S.V.G.; Sis. N. Greenhalgh, L.S.V.G.; Sis. E. Holstein, Inside Guardian, Sis. L. Boulton, P.N.G.; Outside Guardian, Sis. A. Sudworth, P.N.G.; Pianist, Sis. D. MacQuarrie, P.N.G.

A number of visiting Sisters from Blairmore and Bellevue were in attendance. A delicious lunch was served, convened by Sis. L. Boulton. A lucky number draw was won by Sister Ennis of Blairmore.

Fish and Game Meeting Held

The Coleman Fish and Game Association held a meeting in the Grand Union Hotel on Thursday evening, January 18 when some 25 members attended and welcomed to the Association a number of new members who have recently taken up residence in Coleman.

The matter of stocking streams and bodies of water in the Pass with fish was brought up and will be looked into by the Association. A drive to increase the Association membership was also brought up and each of the present members were given a number of tickets and delegated to do his part towards selling the memberships.

It was reported that the annual Fish and Game Association convention would be held in Red Deer this year on February 1, 2 and 3. Three club representatives, Fred, Oratio Celli; Secretary Al Krywolt, and John Kerr will attend the affair.

The meeting then enjoyed a number of films on Sulphur and Forestry, being shown after which a lunch was served.

Ulcers aren't caused by what you eat—but by what's eating you.

Councils Meet Gas Company Officials

Five representatives of Canadian Western Natural Gas Company, headed by F. Patterson, entertained the mayors and councils of Bellevue, Coleman, Frank and Blairmore at a meeting held in the Turtle Mountain Hotel at Frank on Tuesday night.

Purpose of the meeting was to discuss the gas franchise and the possibility of servicing the Pass towns with natural gas by this fall.

A recent survey was made of homes in the Pass by the gas company in an attempt to find out how many residents here would be possible gas consumers.

Results of the survey were divulged at the meeting and showed that of the 644 homes canvassed in Blairmore, 413 favored gas; Coleman showed of the 766 canvassed, 504 favored gas; Bellevue results showed that of the 451 canvassed, 362 favored gas, and in Frank, 42 of the 68 homes were in favor of gas.

The gas company officials were extremely pleased with the results of the survey made.

It was pointed out that the same rate would prevail in all of the Pass towns and it was estimated that there would be some 20 miles of main line and 17 miles of service lines required for all of the entire Pass.

The matter of converting present furnaces and stoves to use natural gas would cost nothing, while some oil units could be converted and others could not and conversion costs would depend wholly on type of furnace and piping and burners wanted by consumers. Coal furnace rates would also vary as to what type of unit consumers would want but it was felt that conversions would run from approximately \$50.00 to \$150.00 per unit dependent on type of furnace and what was required.

Ranges, it was felt, would run approximately \$15.00 for burners and possibly \$10.00 for piping, while furnaces could run anywhere from \$40.00 to \$60.00 for piping. Water brackets would range from \$60.00 to \$90.00. Running the line from the lot line to the home would cost \$10.00 for installation service charge, and there would also be a charge of 95¢ per foot for the three quarter inch pipe installed. A \$10 to \$15 deposit will also be necessary.

It was mentioned that two rates would be available to consumers: the first rate to all customers in the Pass would be charged as follows for the first 2MCF (2,000 cu. ft.) or less used the charge would be \$3.25 per month, and all additional (1M cu. ft.) MCF would be 67¢ per MCF with a minimum monthly charge of \$3.25 per month.

The second rate, which is optional is available to all customers whose consumption is more than 550,000 cubic feet of gas. The fixed charge is \$12.50 per month, plus a commodity charge of 4¢ per thousand cubic feet. The minimum monthly charge is \$12.50.

Comparisons showed that an average size home approximately 12 1/2 square feet would use approximately 200,000 cubic feet of natural gas at a cost of \$156.92 per year.

To heat the same home it would require 1860 gallons of propane gas and to be comparable in cost the propane gas would have to be sold at 8.4¢ per gallon. To heat the same home with oil it would require an estimated 1345 gallons of fuel oil and to be comparable in price the oil would have to be sold at 11.6¢ per gallon.

These heat figures are based on the assumption that the heat value of domestic fuel oil is 168,000 BTU (British Thermal Units) per gallon and propane 110,000 BTU per gallon, and operating combustion efficiencies of oil be 85 per cent, propane gas 72 per cent and natural gas 72 per cent.

The councils and gas company officials then discussed point by point the franchise submitted to the towns by the gas company.

Several items, including tax paid to the towns by the gas company was questioned by council and other rates are to be drawn up by the gas company for presentation to the towns.

Councils will hold their own meetings to discuss the matter further and draw up a by-law for first reading with a view to giving the gas franchise to Western Natural Gas Company if the issue of public ownership is not brought up by the ratepayers.

The towns will then call on the proprietary electors for a vote and in order that the franchise be granted 66 2/3 per cent of electors must favor this action. The franchise would be effective for a 20-year period.

Local and district residents of Coleman were in Lethbridge over the past week-end to attend the three-day convention of Jehovah's Witnesses, held at the Westminster School auditorium.

Sponsored by the Watch Tower Bible and Tract Society, the week-end meetings were for the purpose of improving Bible study techniques and assisting one another to do God's will. Such refresher courses are held at regular intervals during the year in 185 lands where Jehovah's Witnesses have congregations.

The highlight of Saturday's sessions was the baptism and ordination services of six new ministers who will serve in the district from Taber to Coleman.

Climaxing the week-end's activity, D. M. Mills, guest speaker from the Society's branch office in Toronto, discussed the subject "Uniting Men in a Split-Up World".

Speaking to an audience of 650 on Sunday afternoon, Mr. Mills pointed out that in spite of man's efforts to achieve unity on a world wide basis, disunity still remains. God's efforts to unite men will not fail.

Said Mr. Mills: "The uniting of all mankind will only come under the established Kingdom of God, which will guarantee united world embracing all nations under the one King, Christ Jesus."

Muscular Dystrophy Money Counted

Fifty members of the Coleman Fire brigade met in the janitor's room of the Coleman School last week to count up and roll the coins dropped in the Muscular Dystrophy canisters that were placed in various stores in the Pass.

Firemen who counted the money were Fire Chief, Henry Zak, Dave Feregeti, John Perozak, Alex Braidotti, John Kinnear, Georg Misur, Armalo Deluca, Clarence Clark, Hector Ividor, Ernie Montalbetti, Ed Amnell, Jack Jenkins, Feruci Deceet, Russell Montebelli and John Vavrecan.

The firemen who conduct the annual campaign for Muscular Dystrophy fund, had set a target of \$400.00 for this year's campaign, but it appears that the goal will be a little short. So far the firemen have a grand total of \$256.46 and with a number of local donors having sent in their contributions to Calgary headquarters, it is felt by Chief Zak that the figure this year will rise to \$300.00.

Collections conducted at the bank in Coleman through the services of high school girls, netted \$73.10 while collections at the Blairmore bank by high school girls realized \$40.40. Blairmore canisters which added up totalled the sum of \$32.65 while those at Coleman amounted to \$57.77. Another canister set up at a service station in Picher Creek collected \$9.60.

Fire Chief Zak has expressed his thanks to the Ladies' Auxiliary of the Coleman and Blairmore Legions, the Blairmore Legion, the Coleman O.R.P., the B.P.O.E. of Coleman, the high school girls, who assisted with the collections, individual donors and to all who in any way helped make the drive for funds successful.

The money was rolled up into proper rolls by the firemen and deposited in the bank and a cheque for the grand total has now been sent to Calgary headquarters.

Old Age Pensioners Seek Entertainment At Meetings

There is an organization in Coleman called the Old Age Pensioners organization, which meets in the Elks hall the first Monday of every month.

It is a place where the old folks can meet and enjoy a little recreation. It is quite noticeable that they have very little co-operation from the various organizations in the town of Coleman, whereas in other places they have all kinds of amusement from the different lodges, churches, Lions and Kinsmen clubs.

Is it a sin to get old because we all get there some day? and it is up to us all to provide something for these people who have spent many years of their lives living, working and catering to the needs of others.

Can we not wake up to the need and see to it that these good folks are looked after, and help to give them a good time once in a while? Those who have cars could offer to take them to and from the meetings, or could put on an evening's entertainment, social or pictures.

We would surely appreciate any effort put forth to help these folk in the evening of their lives. I am sure there is a lot of talent in this town, and surely we are not asking too much when we ask them to display some of it and give joy to them who cannot get out and enjoy ordinary enjoyments themselves—So don't be afraid to come forward and offer some form of entertainment. It would surely be appreciated.

The organization is not entirely for the older folk. Anyone is welcome to join and we would be glad to see any of you and your friends—we meet February 5th at 7:30 p.m.

Installation of officers and the choir of the United Church have offered to put on program.

Come and enjoy an evening out.

GOOD REASON

The group of Russians stood at the Pearly Gates . . . just stood there while St. Peter looked on. "Amazing," said St. Peter, "but you can't come in here. You are atheists."

"Who wants to come in?" replied the Russian spokesman. "We are here to get our dog back!"

No Decision Made At Meeting Re Recreational Grant

A small attendance turned out to a meeting held in the Coleman Council Chambers on Sunday evening last for the purpose of discussing and possibly deciding how government's recreational grant should be spent.

Representation from East Coleman in the ID district, whose grant would be approximately \$11,000, and Coleman representations, whose grant would be about \$16,000, were present to discuss the matter.

Two points formed the main items of the discussion . . . the possibility of a swimming pool for Coleman or using the money for repair and improvements to the Coleman arena.

Both matters were discussed to some length but no decisions were made. The committee are to investigate both matters and bring in a recommendation at a future meeting.

Cover Poster Campaign To Start

The annual Canadian Cancer Society poster campaign commenced in the Crow's Nest Pass schools last week and it is hoped that a good number of the students in all of the Pass towns will take an active interest and participate in the event.

A total of \$60.00 in prize money is being offered which provides for a very attractive group of prizes.

All entries must be turned in by March 15 so that the posters can be judged by an independent panel of judges.

Pythian Sisters Elect New Slate

The Pythian Sisters of Coleman met Wednesday evening, January 17, in the I.O.O.F. hall when a new slate of officers to head the group was elected to office.

Installed were: Past Chief, Helen Noddo; Most Excellent Chief, Evelyn Hopkins; Excellent Senior, Ruth Findlay; Excellent Junior, Mary Hindley; Manager, Frances Bartoletti; secretary, Helen Hopkins; treasurer, Margaret Johnson; Protector, Nell Harte; and Guard, Alma Roughhead.

Minerva Chapter Sister Honored

At the close of the meeting of Minerva Chapter No. 4 O.E.S., a lunch was served and a beautifully decorated birthday cake decked with candles was placed before Sis. K. Bouthillier.

Sis. B. Upton, W.M., wished Sis. Bouthillier a happy birthday and many happy returns of the day. All joined in singing "Happy Birthday" as the honored guest blew out the candles and cut the cake.

She very ably thanked the Worthy Matron for her thoughtfulness and good wishes.

\$426,783 Allotted For Hospital Costs

The sum of \$426,783 was recently distributed by the Alberta Department of Public Health to 83 active treatment hospitals and nine auxiliary hospitals as the second of three adjustment payments designed to help offset increased hospital costs. Initial 1961 payment amounted to \$400,000.

Final adjustment will be made early in 1962 on the basis of audited 1961 operating costs of the hospitals concerned. It is estimated the final payment will amount to \$750,000.

The interim adjustment payments by the Provincial Government are over and above regular Hospitalization Plan payments to hospitals which amount to approximately \$2,500,000 each month.

The three additional grants totalling approximately \$1,500,000, will assist Alberta's hospitals in meeting 1961 excess costs, the total of which are estimated at \$2,700,000 for the calendar year 1961.

Municipalities or organizations owning hospitals will be responsible for the balance of excess costs.

Large Crowd Hear National Social Credit Party Leader

Approximately 350 people attended a banquet sponsored by the Macleod Federal Social Credit Association which was held in the Nanton Community Centre on Friday, January 19.

day, January 19.

Dr. Bob Thompson, National Leader of the party; Ernie Patterson, Social Credit candidate in the Macleod Riding and Rev. E. G. Hansell, M.L.A., addressed the meeting which was one of the largest Social Credit meetings in the Macleod Federal Riding since 1935.

Dr. Thompson told the meeting that Social Credit party had already nominated 57 candidates, and intended to run a candidate in all of the 255 federal ridings. Because of the growing interest in Social Credit across Canada, Dr. Thompson stated "it is a reality, not just a possibility that the Social Credit party will form the next federal government of Canada."

Dr. Thompson stressed the fact that Canada is not only involved in a cold war with the countries behind the "bamboo and iron curtains", but Canada is also involved in an economic war with these same countries. Over 40 per cent of the dollar goes to governments in the form of taxes and when this reaches 50 per cent, which it will do shortly under our present economic system, Canada, in effect will have socialism. He stated Social Credit would avoid this by bringing about basic financial reform.

The National Leader expressed his belief that no farmer really wanted government aid but that every farmer would be happier if he could sell his products for a fair and reasonable price. "Social Credit would do this by implementing a system of parity prices".

Ernie Patterson, Social Credit candidate in the Macleod Federal Riding, stated that "those who said 'Social Credit was dead in 1953',

should be at this meeting tonight. He expressed his belief that the Social Credit government of Alberta should have Social Credit Members of Parliament to give it representation in Ottawa.

Mr. Patterson stated that the people of the province believed they had good government and indicated this by returning 61 Social Credit M.L.A.s out of 65. Alberta has the lowest rate of unemployment in Canada and this fact was not just an accident, but it came about because of good government, said Mr. Patterson.

The local candidate also pointed out that it was the present Federal government that held up the export of natural gas from 1927 until 1960 because they believed that gas reserves were not large enough. Since they have finally consented to the export of gas, known reserves have more than doubled and with this export new industry has come to this constituency in the form of Sulphur plants in Okotoks, Pincher Creek and in the Crows Nest area.

How much sooner would this new industry have been established if there had been Social Credit Members of Parliament to represent the Alberta government's case instead of members who were not in favor of the export of gas? asked Mr. Patterson.

Leighton Buckwell of Macleod, was master of ceremonies. Other head table guests were Mr. Geo. Buzinis, mayor of Fort Macleod; Mr. William Kovach, M.L.A. for Pincher Creek - Crows Nest, Mr. Wm. Kovach, Dr. E. G. Hansell, M.L.A. for Okotoks - High River; the Hon. Peter Dawson, Speaker of the Legislature and M.L.A. for Little Bow, the Hon. James Lartley, Minister of Public Works and M.L.A. for Macleod; Mrs. Peter Dawson, Mrs. Bob Thompson, wife of the National Leader; Mr. Jean Landry, M.L.A. for Lethbridge; Mrs. John Landry, Mayor and Mrs. Wolstenholme of Nanton, Mr. Gordon Cameron, president of the Okotoks Provincial Constituency Association; Mrs. G. Cameron, Mr. and Mrs. J. G. Dickinson, Mr. and Mrs. G. C. Lett, Glen Cunningham, Provincial Young Social Credit President; Mrs. Ian Smith, National president of the Social Credit Women's Auxiliary, Mr. and Mrs. Fred Blake of Nanton, and M. J. Clemenger, National Finance chairman of the Pincher Creek - Crows Nest, Provincial Association, and Mr. Ed Root of Lomond, president of the Little Bow Provincial Constituency Assn.

Curtis Funk of Claresholm played a piano solo and also accompanied Mr. and Mrs. Ian Smith when they sang two duets.

Despite the cold weather the meeting was a success.

Grands Surprise Adderson With 3-2 Win

The Coleman Grands surprised the strong Calgary Adderson Club by coming out on top by a narrow score of 3 to 2 on Saturday night in the Calgary arena, January 20th.

The Adderson Club, who had lost only two games all season—one to the defunct Lethbridge Maple Leafs—and the last game they played, to the Coleman Grands by a score of 7 to 4—went on the ice with Intentions of revenge.

However, the Coleman club was just too much for the Calgary team and beat them quite convincingly by spotting the Addersons two quick goals at the five minute mark, then coming back with three unanswered goals in the next 55 minutes of play.

Approximately 600 fans saw the terrific struggle between the two top teams in the league. It is quite apparent that Coleman, now playing with a full club, is all the Adderson team can handle, even when they are lucky enough to have the breaks. This was the difference of the game played the following Sunday at the Coleman arena between the two teams when the Adderson club defeated Coleman by a score of 5-4, the winning goal coming at 17:30 of the third period when Coleman's goalie Ken Cush accidentally dropped the puck into the net when taking it from his shoulder after making a fine stop.

The Sunday game was close all the way with never more difference at any time other than one goal. The teams were tied 2-2 at the end of the first period, Adderson led 3-2 at the end of the third, winning only on the lucky goal after the amazing Fred Churla had tied the score at 14:45 on a pass from Brooks and Martini.

Fred Churla scored all four of the goals on Sunday with Lorne Brooks getting three assists and Martini two. In Saturday's game, Bentley, Brooks and Koentges tallied for the Grands with Martini, Koentges and Fraser with assists.

The crowd of approximately 700 fans at the Sunday game were treated to some very fine hand music by the ROME band which deserve much credit for their effort. The fans really enjoyed the snappy, zippy music they played. Let's make sure they get a big hand from the crowd if it is possible to have them appear again at some future date.

Remember, when this band plays at any hockey game, they play for your entertainment for FREE. They do not receive remuneration. The least we hockey fans can do is to give the members of the band a big hand when they play for us.

Coleman Clobbers Buffaloes 9 to 4; Cavers Scores 4

Speedy Don Cavers led Coleman Grands to a terrific assault on the Calgary Buffaloes at the Coleman arena on Saturday night.

Cavers scored four goals and had three assists. He was the outstanding star for the Grands, playing on a line with Scodellaro and Fraser.

It is evident that when Scodellaro gets in top shape this line is going to be hard to beat.

Brooks again played his usual brilliant game, scoring once and assisting on four others. Scodellaro had two goals and two assists, playing his best game of the year.

Yanosik, on defence, playing double duty, after an injury to Bentley, played superb hockey as Coleman ended the game with only two defencemen.

Lyons played his usual steady game on defence with Yanosik.

Coleman went ahead at the 10-minute mark on a goal by Cavers from Scodellaro and Bentley. The Buffaloes tied the score at 12:04 on a goal by Hubert. Coleman went ahead again at 13:09 when Scodellaro scored from Cavers and Brooks.

Buffaloes tied it all up again at 15:37 when Tworon scored. Buffaloes then went ahead when Gilliswater scored. From this point on Coleman commanded the play. They tied the score at 18:03 when Cavers scored his second goal of the game from Fraser; went ahead 4 to 3 as Martini scored at 17:35 from Churla and Brooks, to end the first period.

In the second period Buffalo goalie, having Mother Luck with him in the first period on screen shots, etc., went to pieces and became easy to beat as Coleman scored three goals from Brooks, Cavers and Janosik, leading 7 to 3 at the end of the second period.

In the third period Coleman tallied twice and Buffaloes once. Cavers scored his fourth goal of the game at 3:36 for Coleman. Kells scored for Calgary at 11:28 and Scodellaro scored his second counter of the game at 19:25 to end the scoring.

Coleman outshot the Buffaloes 31 to 20, having 17 of their shots on goal in the first period.

Fred Churla, the top goal getter for the Grands had his first off-night, when he failed to score in the game.

Grands play their last game of the season with the Buffaloes in Coleman arena this coming Saturday.

Grands Defeat Buffaloes 3-1

The Coleman Grands defeated the Buffaloes 3 to 1 at Calgary on Sunday last to take both games of a Double Header and strengthen their hold on 2nd place.

Week-End Hockey

Saturday and Sunday schedule changes will see Coleman Grands playing Great Falls Sat. Feb. 3 at 8:30 p.m. and Calgary Totems Sun. Feb. 4, at 2 p.m. in Coleman Arena.

Coleman 5, Taber 1

In a Big Six hockey scheduled game at Taber on Wednesday, January 24th, the powerful Coleman Grands, coasted to a 5-1 victory over the strengthened Taber Chiefs.

With all their added player-strength the Chiefs were not in the game which was commanded throughout by Coleman's boys.

Fritz Churla, now called "Mr. Hat Trick" by most fans, scored two more goals to pull him within one point of the leading scorer in the league.

Koentges, Cavers and Yanosik scored the other three goals.

Following is a league schedule up to and including February 21:

February 3—Great Falls at Coleman.
 February 10—Buffaloes at Coleman.
 February 11—Coleman at Adderson.

February 14—Taber at Coleman.
 February 21—Coleman at Taber.

New Delicacy From The North

Sweetgrass buffalo steaks will soon be adding northern sizzle to Canadian menus.

Prime northern buffalo will likely be the first new food delicacy brought to Canadians in 1962 when some 250,000 pounds of top quality meat from Wood Buffalo National Park go on sale from coast to coast in January.

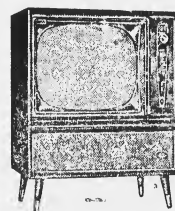

"Foods from the north are introducing Canadians to new adventures in eating," Northern Affairs Minister Walter Dinsdale said, "They're disproving the charge that too much of our Canadian food lacks the tang of regional flavor." Eskimo caught char, he recalled, virtually added a new word - Ilkalu - to the language. (Ilkalu in Eskimo means fish).

This is prime meat selected, inspected, graded and packed in the Park's big Sweetgrass abattoir. From here it is shipped out to Edmonton for cold storage and distribution.

Buffalo meat from Elk Island National Park in Alberta, goes on sale this year with the Sweetgrass variety. Westerners need no introduction to Elk Island buffalo.

The Sweetgrass herd gets its name from the sweet grass of its immense northern range. Wood Buffalo National Park (17,500 sq. miles in area) straddling northern Alberta and the Northwest Territories, is home of the largest known buffalo herd in the world. How the meat has become plentiful enough to market is a tale of near-extinction and dramatic come-back of time and space for the patient processes of scientific game management to restore the herds.

This is prime meat selected, inspected, graded and packed in the Park's big Sweetgrass abattoir. From here it is shipped out to Edmonton for cold storage and distribution.
